Soil Nail Pull-Out Tests **Soil Nail Performance Tests** **Rock Dowel Pull-Out Tests**

With Stanger Asia Limited's continuing commitment to enhancing our range of services to the construction industry and providing quality testing to all our clients, we now provide a wide range of HOKLAS accredited soil nail & rock dowel pull-out and soil nail performance tests to both the public and private sector. The tests are performed using state of the art equipment providing a high degree of accuracy, which, in turn, enhances the confidence in the results, obtained. Tests are completed with the submission of a comprehensive report.
